## Living in a Tech-Obsessed Social Media World is Tough

### Learn How to Thrive in a Digital World

Christina Avallone is an author, speaker and educator. She has lived and parented through some of the most significant technological changes in the history of the world. She began teaching a class, Parenting in a Digital World when she saw the technology landscape change. That led her to write a book, *Thriving in a Digital World*. Her passion for years has been to articulate an actionable plan and encourage parents, grandparents, teachers, siblings, coaches, mentors and others to teach digital etiquette and help families take back the reins and break the addiction of technology
